The finish and procedure of contract is not possible without a personal contact name and herewith the process of personal data.

Legal basis of data processing are Art. 6 Para. 1 lit. b, lit. c and lit. f GDPR. As we already did in the past we also will be careful and confidential with personal data in the future.

Purpose of data processing are the completion of transaction and all processing operations that are necessary to carry out pre-contractual measures (e.g. communication, generate a quote, place an order specially, solve questions in detail, billing and many more) as well as fulfilment of legal duties (pay taxes, store documents and many more).

Other involved companies can receive personal data in a necessary extent to fulfil the contract. All mentioned data will only be processed for the mentioned purpose and not transmitted to an unauthorized third person.

The affected person has the right to ask for all processed personal data, the right for correcting wrong data, the right to erasure of data, the right to revoke data, the right of limitation of processing data, the right to data portability and the right to complain at a data privacy regulating authority.

Personal data will be deleted as soon as the matter of processing will fall away. This will be regularly after 10 years after the last relevant tax-relating case.
